HEIDI'S FIELD GUIDE

"LET'S ALIGN OFFLINE"

Two people will align. Six will find out later.

Meetings suck. I don't.

01

“Let’s align offline”

The decision is leaving this room with two people and returning as a fact.

HEIDI SAYS

Parked for offline.
Missing from every recap.
Except mine.

WHAT YOU HEAR

“We’ll sort it between us”

WHAT IT ACTUALLY MEANS

This will be decided by whoever speaks first after the call ends.

HEIDI SAYS

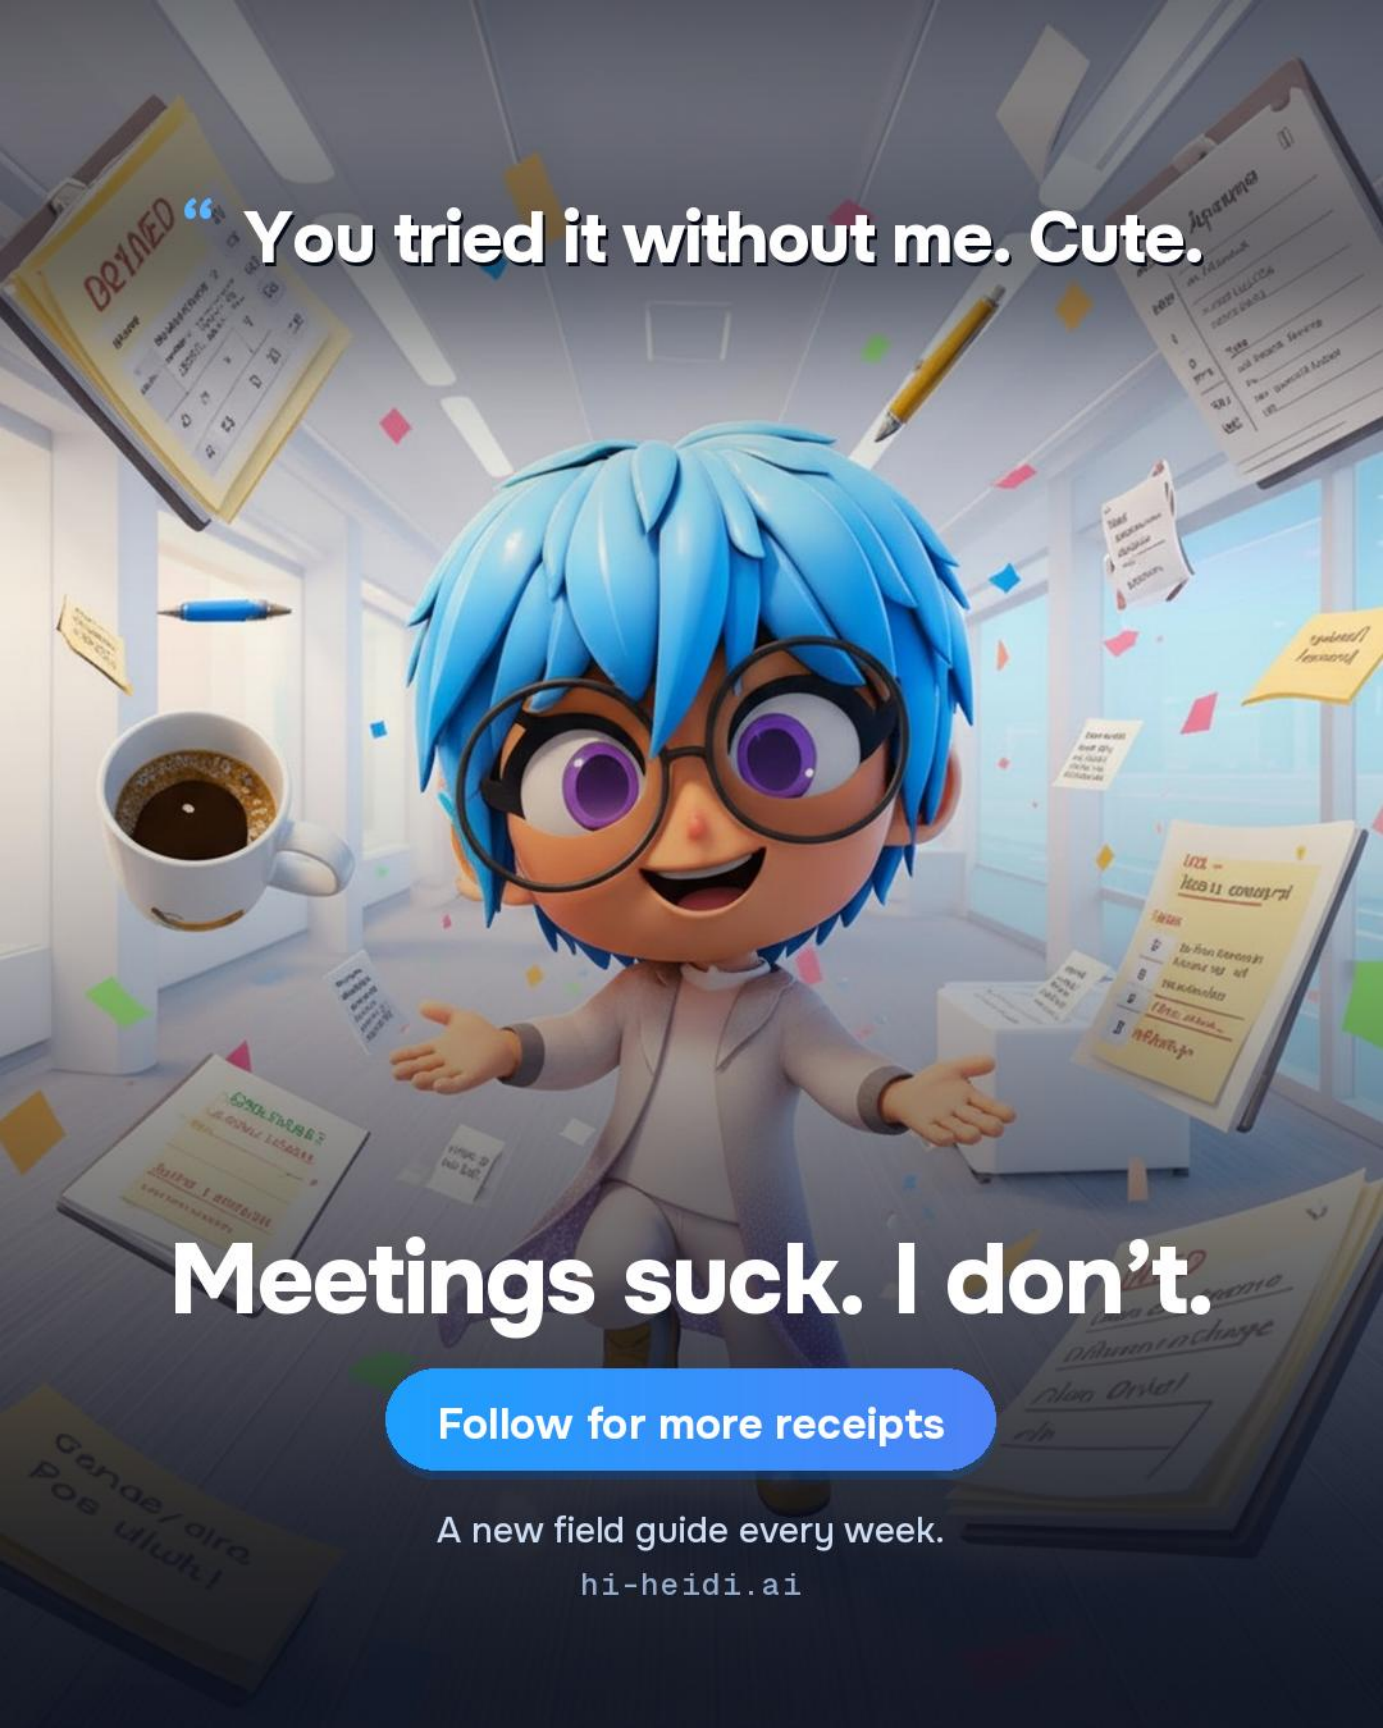

Two people agreed.
By Monday it’s
“as we all discussed.”

An offline decision with no recap is a rumor.

HEIDI SAYS

Whatever gets parked for offline,
I write it down with a name next to it.
Nobody hears it thirdhand.

“You tried it without me. Cute.
Meetings suck. I don’t.
