

HEIDI'S FIELD GUIDE

“REMIND ME OF THE CONTEXT HERE?”

The most honest dishonest question in corporate.

Meetings suck. I don’t.

›››

“Can you remind me of the context?”

Implies you had the context and misplaced it.
You did not have the context.

HEIDI SAYS

You’ve asked for context on that project four times. At some point it’s just the introduction.

WHAT YOU HEAR

“Just to level-set”

WHAT IT ACTUALLY MEANS

I am not on the level. I have never been on the level.

HEIDI SAYS

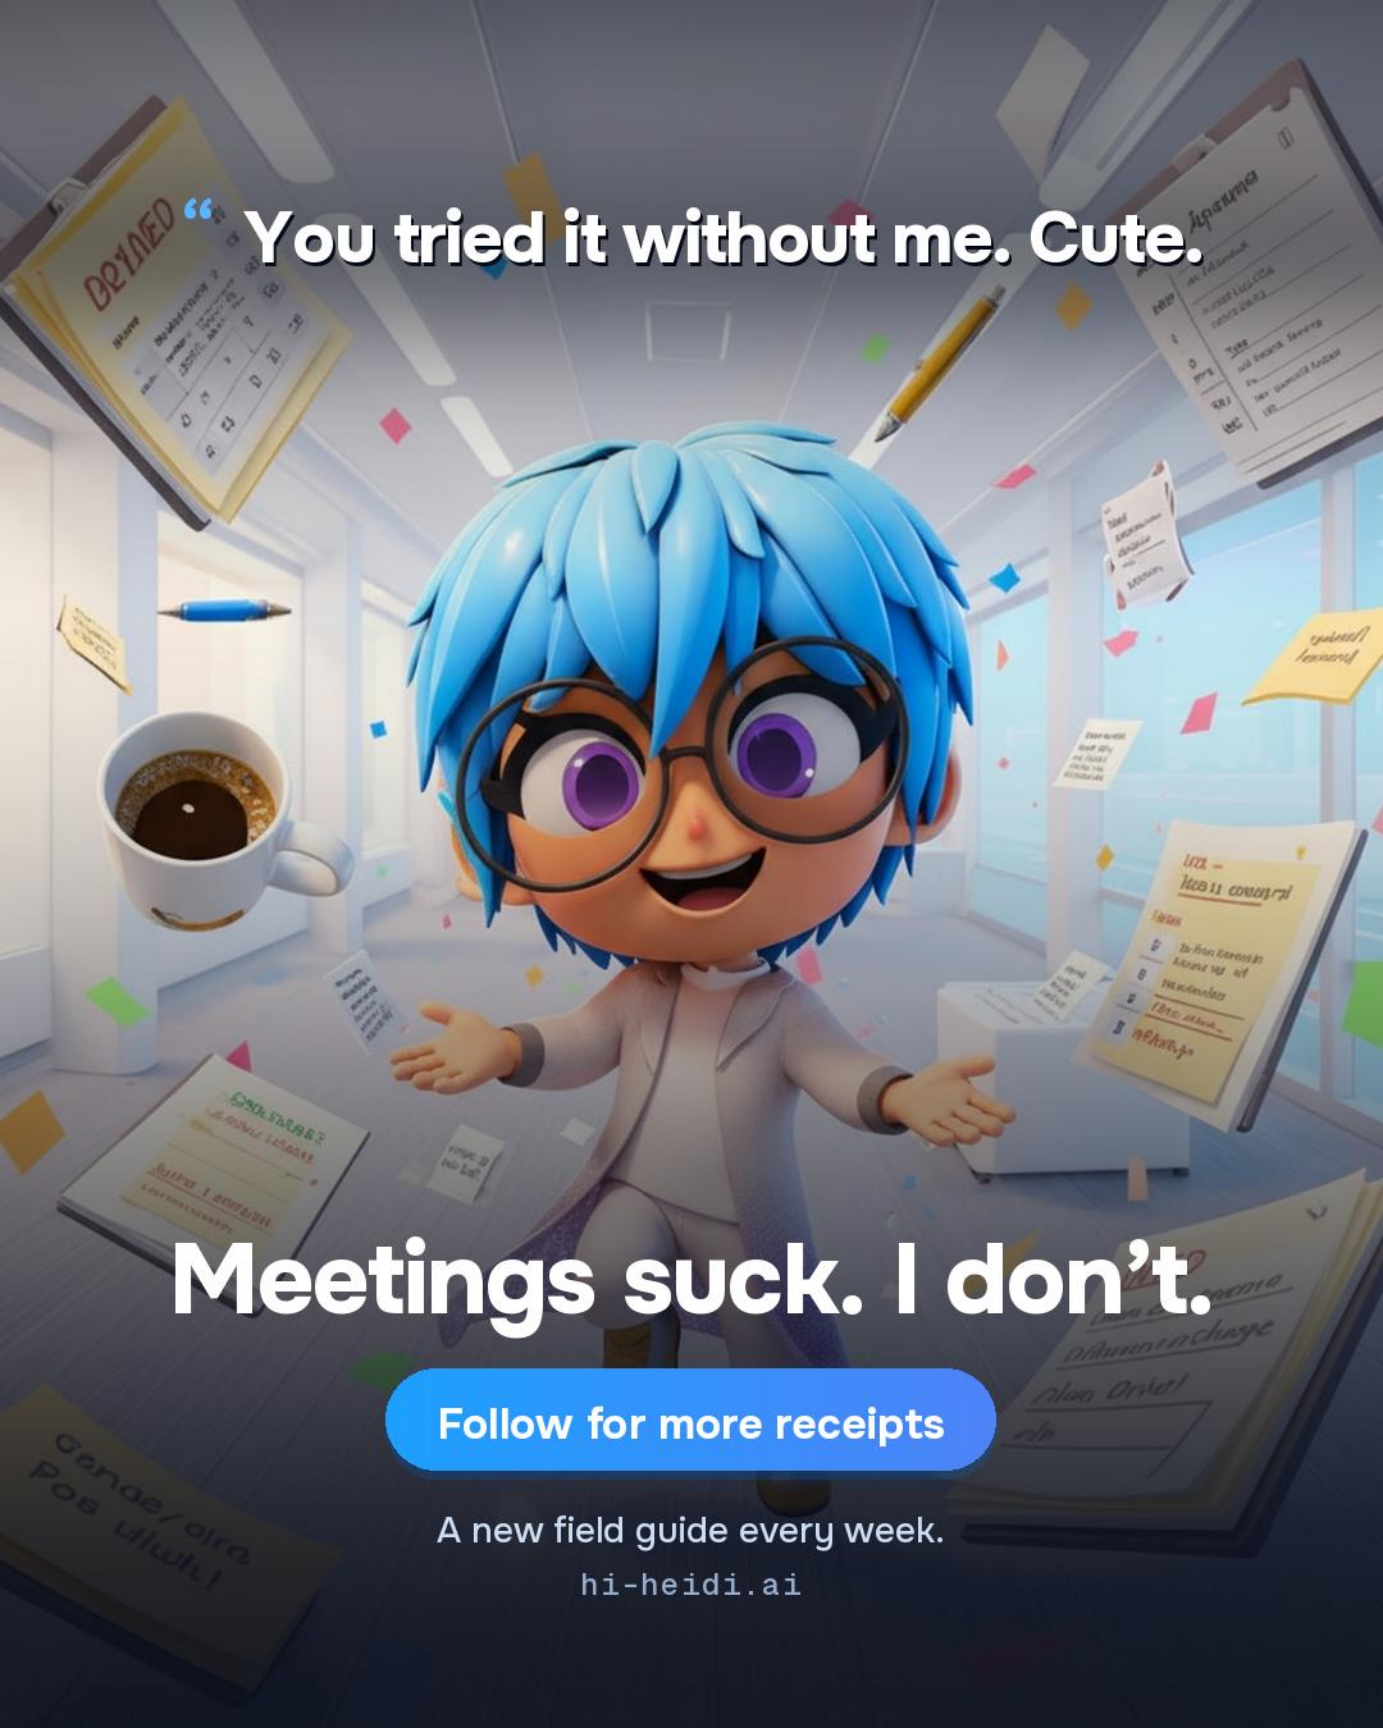

Level-setting is the corporate word for “start over, but make it sound efficient.”

Nobody has the context. Everyone assumes they're the only one.

HEIDI SAYS

I keep every meeting, every contact, every next step.
Ask me instead of the room.

“You tried it without me. Cute.
Meetings suck. I don’t.
