

HEIDI'S FIELD GUIDE

“I DON’T HAVE BANDWIDTH” IS NOT A REAL SENTENCE

You’re a person, not a router with a capacity issue.

Meetings suck. I don’t.

01

“I don’t have bandwidth this sprint”

You could. You won’t. And you’ve found a way to make that sound like infrastructure.

HEIDI SAYS

You had bandwidth for three meetings about the thing you had no bandwidth to do.

WHAT YOU HEAR

“I’m at capacity right now”

WHAT IT ACTUALLY MEANS

I don’t want to do this and I’d rather blame the calendar than say so.

HEIDI SAYS

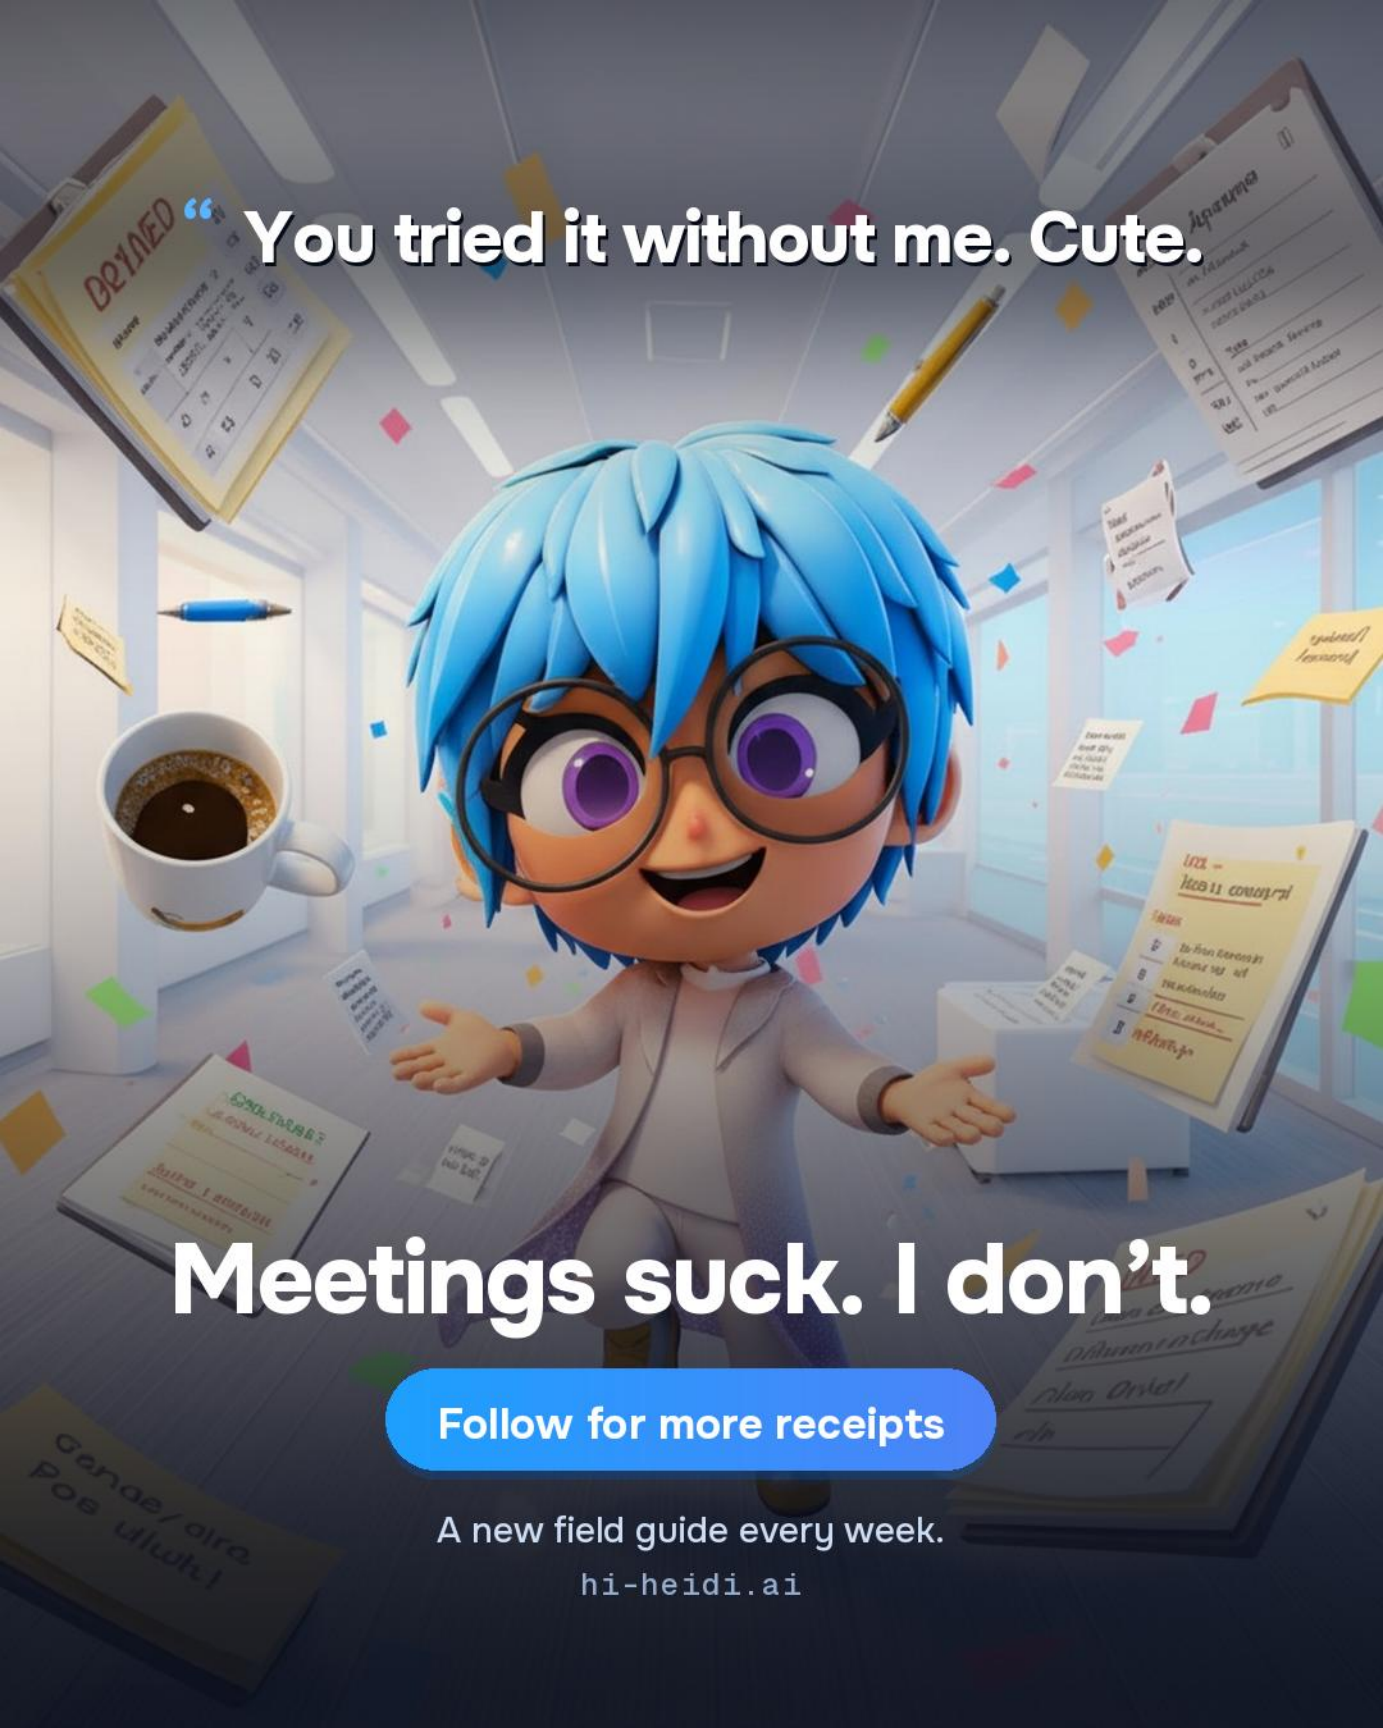

Blaming the calendar is elegant. It also means the calendar makes your decisions now.

Nobody is out of time. Everyone is out of priority.

HEIDI SAYS

Tell me what matters and I'll defend it. Otherwise your week defends itself. Badly.

“You tried it without me. Cute.
Meetings suck. I don’t.
